History

The Henderson County Appraisal District is a Government Administration that is headquartered in Athens, Texas, and it was established in 1980 and its mission was to discover and appraise property for ad valorem tax purposes. The Henderson County Appraisal District appraises taxable property for the county, cities, school districts, and special districts such as Emergency Service Districts that levy property taxes within the district's boundaries. There are a total of 132,152 parcels in district. We appraise 91,281 property parcels property parcels annually.

Objective

The Henderson County Appraisal District is committed to employing the most talented and capable people possible. The district is an Equal Opportunity Employer and encourages all qualified individuals to apply without regard to race, ethnicity, gender, age, or disability.

Due to the large number of applications, we will not be able to respond to all resumes submitted. We will contact those applicants that are most qualified for any available position to arrange an interview. Thank you
